# COLD-WATER CLEANERS

## Frequency control

### Supplied with:

- 10 meter **2-layer** high pressure hose
- Pistol grip handle
- **Stainless** steel double lance with high and low pressure nozzles
- 10 meter power cable with plug

### Fields of usage:

- Working tasks that demands variable pressure settings
- Stable cleaning of all kinds
- Multi-user cleaning
- Maritime hull cleaning

**0-60 l/min.  
&  
0-500 Bar Pressure**

Frequency control is mountable on all big KENT cleaners where the water usage exceeds 30 l/min. Frequency controlled cleaners is the perfect solution for multi-user equipment.

Please contact us for further information!

# WEED REMOVAL

## GREEN Steam by KENT

THE ENVIRONMENTALLY FRIENDLY WEED REMOVER AND HOT-WATER CLEANER IN ONE

### Supplied with:

- 10 meter **2-layer** high pressure hose
- Pistol grip for stainless steel GreenSteam lance
- **Stainless** steel lance for the GreenSteam
- 10 meter power cable with plug
- 80Kw burner for quick and effective heating
- Flame surveillance and hour counter

# HOT-WATER CLEANERS

## 1000 series

### Supplied with:

- 10 meter **2-layer** high pressure hose
- Pistol grip handle
- **Stainless** steel double lance with high and low pressure nozzle
- 10 meter power cable with plug
- 80 Kw burner with quick and efficient heating
- Flame surveillance and hour counter

### Tank gauge as optional extra

Tank gauge is available for the mobile hot-water cleaner only.

# HOTBOX

## Mobile

- **Quick** and efficient heating
- 80Kw diesel burner
- Also available as 12 & 24 V

### Low pressure HOTBOX can be used for:

- Drinking water for animal husbandry
- Heating of diving suits
- CIPP Lining
- Can be connected to cold-water cleaner

### Supplied with:

- 10 meter **2-layer** high pressure hose
- Pistol grip handle
- **Stainless** steel double lance with high and low pressure nozzles
- 10 meter power cable with plug

### Can be delivered with frequency control:

- Work-tasks requiring variable pressure settings
- Stable cleaning of all kinds
- Multi-user cleaning
- Maritime hull cleaning

# COLD-WATER CLEANER

## 9400 Series

THE SUPER PROFESSIONAL SERIES FOR THE MOST DEMANDING TASKS

### Supplied with:

- 10 meter **2-layer** high pressure hose
- Pistol grip handle
- **Stainless** steel double lance with high and low pressure nozzles
- 10 meter power cable with plug
